

Are you looking for a change of pace in your professional career? If you're someone who loves working as part of a crew in the field performing skilled electrical tasks, then join our team as one of our Electricians!

At On Target, we are a fast-growing company that provides a variety of utility services such as locating, metering, smart grid, telecommunications, and power line services throughout the Northeast. Relocation assistance is available.

As a qualified and licensed Master or Journeyman Electrician, you will be responsible for the installation and maintenance of municipally owned LED streetlighting.

Why You'll Love Working for Us (Our Benefits)

We believe that our employees are the reason for our success, so we offer competitive wages and an array of benefits that include:

- 100% Paid Training - You'll have ongoing training throughout your career with us.
- Medical, dental, and life insurance
- PTO and paid holidays
- 401(k) plan

Responsibilities & Requirements

You'll be working closely with other technicians and customers with limited amount of supervision. This position is a phenomenal opportunity for those who like to work both independently and as part of a team.

- State of Maine Master or Journeyman license
- Ability to obtain Maine DOT Medical Card
- Commitment to completing projects in a timely manner
- Able to work overtime and weekends (as needed)
- Be able to stand, walk, and work on uneven ground for the full workday
- Be able to drive a line truck and/or equipment several hours every day
- Be able and willing to work outdoors in various weather conditions
- Be able to lift 100 pounds on an occasional basis and up to 50 pounds on a frequent basis
- Strong written and verbal communication skills
- HS Diploma or GED required
- Able to pass a drug screen
- Have a valid driver's license and a safe driving record

We are an Equal Opportunity Employer.
